++ Valid for broadcast between 1800 and 0600

Headline:
Autumnal unsettled weather is expected to develop next week.

This Evening and Tonight:
Cloudy at times, especially across the Peak District where the odd spot of light drizzle is possible. Further east some clear spells are likely which, combined with light winds, will allow areas of mist, low cloud and fog to form. Minimum temperature 13 deg C (55 deg F).

Sunday:
Generally cloudy and dull start. However, through the day warm sunny spells will develop, but there is also a chance of isolated heavy or thundery showers breaking out. Light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Rain clearing Monday, with sunshine and showers following. Tuesday will see showers or longer spells of rain, heavy at times. Sunshine and the odd shower on Wednesday. Turning noticeably cooler.
